As a valued customer to Paine Electronics, LLC., we wanted to share the following exciting news with you: On November 4, 2014, Emerson Electric Co. announced that its subsidiary Rosemount Specialty Products LLC acquired substantially all of the assets of Paine Electronics. This acquisition will have a positive impact on both entities as the business grows. Effective immediately, Rosemount Specialty Products LLC (d/b/a Paine Electronics) will operate as a wholly-owned subsidiary of Emerson Electric Co. and will continue to maintain its operations in East Wenatchee & Renton, Washington. A copy of the press release that has been issued regarding the transaction can be viewed at:

<http://www2.emersonprocess.com/en-US/news/pr/Pages/1411-Paine.aspx>.

Moving forward, Rosemount Specialty Products LLC (d/b/a Paine Electronics) invites its customers to do business per the attached standard Rosemount terms and conditions of purchase or to reference any agreement terms and conditions previously negotiated by your organization and any Emerson Process Management business unit.

Thank you for your ongoing support. We look forward to continuing to our relationship to ensure that we provide the highest quality products and services to our customers. Please do not hesitate to get in touch with your Sales Engineer contact should you have any questions or concerns at (509) 881-2100.

Warm regards,

A handwritten signature in black ink, appearing to read "T. Lenz".
